A First Rate Madness Why mental illness enhances crisis leadership

Posted Aug 09, 2011 Many great leaders have been mentally ill, mainly with severe depression and sometimes with mania.

A First Rate Madness | Psychology Today

In A First-Rate Madness, Nassir Ghaemi, director of the Mood Disorders Program at Tufts Medical Center, offers a myth-shattering exploration of the powerful connections between mental illness and leadership and sets forth a controversial, compelling thesis: The very qualities that mark those with mood disorders also make for the best leaders in times of crisis.
