Cast out of the city of Agora where they were left at the end of The Midnight Charter, Mark and Lily must now survive in a dense forest. The strange villages, terrifying nightmares, and powerful witches they find there are even more frightening than Agora with all its slums and secrets. In an adventure that expands with every turn of the page, David Whitley delivers a novel as thrilling and horrifying as his characters' darkest dreams.

An inspiring story of one doctor ' s struggle in a war-torn village in the heart of Sudan In 2007, James Maskalyk, newly recruited by Doctors Without Borders, set out for the contested border town of Abyei, Sudan. An emergency physician drawn to the ravaged parts of the world, Maskalyk spent six months treating malnourished children, coping with a measles epidemic, watching for war, and struggling to meet overwhelming needs with few resources. Six Months in Sudan began as a blog that Maskalyk wrote from his hut in Sudan in an attempt to bring his family and friends closer to his experiences on the medical front line of one of the poorest and most fragile places on earth. It is the story of the doctors, nurses, and countless volunteers who leave their homes behind to ease the suffering of others, and it is the story of the people of Abyei, who endure its hardship because it is the only home they have. A memoir of volunteerism that recalls Three Cups of Tea, Six Months in Sudan is written with humanity, conviction, great hope, and piercing insight. It introduces us to a world beyond our own imagining and demonstrates how we all can make a difference.

For Waverly Bryson, life is anything but boring! And never is that fact more evident than in Maria Murnane's delightful third novel about the irrepressible heroine. This time around, Waverly faces a game-changing opportunity: an offer to turn her popular advice column into a regular guest spot on the new TV show Love, Wendy. It could be the break of a lifetime--but for a few not-so-minor details. For starters, Waverly's acceptance of the job means moving clear across the country, giving up her rent-controlled apartment, and leaving behind her best friends McKenna and Andie. Oh, and there's the fact that TV host extraordinaire Wendy Davenport is none-too-pleased by the prospect of Waverly usurping her broadcast throne. Then there's Jake, Waverly's boyfriend. He's as crazy about her as ever. His mother, on the other hand? Not so much. But Waverly wouldn't be Waverly if she didn't tackle these challenges head on, with all the zeal, good humor, and, yes, occasional catastrophe that we've come to expect from "the American Bridget Jones."

Robert Morrow encounters the Ghost of epic American writer Thomas Wolfe, wandering endless for over 75 years, within confines of hometown Asheville NC's Riverside Cemetery. Fame and fortune already bestowed upon the Ghost, serenity he's still seeking. Ghost of lost flesh, why has this web been woven? Which of us is not a Ghost--among a world of Ghosts? Are we but a phantom, among a world of phantoms? What is real? What isn't? And, who are we to know? Together Robert and Ghost Tom work to find that childhood matters--memory the key to unfound door. Within our dreams, we find our self, worthy person all the more. We wake again, shreds of memory do return, saying: Come back again! Come home! For home, we never leave!
