In U.S. law the term "Indians" refers generally to the indigenous peoples of the continent at the time of European colonization. "Alaska Natives" and "Native Hawaiians" refer to peoples indigenous to the areas occupied by those named states. The terms "tribe" or "band" designate a group of Indians of the same or similar heritage united in a community under one leadership or government and inhabiting a particular territory.

American Indian Law is a very specialized area of law and one does not enter into a solid understanding of its principles and practices easily. As Judge Canby himself notes, when you speak about American Indian Law, you are first talking about "Federal law about Indians". Such is the focus of Judge Canby's efforts: federal law about Indians.

Bob Anderson is the Oneida Indian Nation Visiting Professor of Law at Harvard Law School, and a Professor of Law and Director of the Native American Law Center at the University of Washington. He is a co-author and member of the Board of Editors of Cohen's Handbook of Federal Indian Law (2012) and is co-author of Anderson, Berger, Frickey and Krakoff, American Indian Law: Cases and Commentary ...

This casebook provides a lucid introduction to the legal relationships between American Indian tribes and the federal government and the individual states. With original contextual material, the authors highlight the field's profound contradictions yet also emphasize its application and real world effects. The casebook incorporates the foundational cases with statutory text, hypothetical questions and other learning tools, and photographs and images to enhance student engagement. The chapters also highlight tribal actions that shape and respond to the law, and include materials on tribal courts, constitutions, and other sovereign institutions. Throughout, students are exposed to differing scholarly views regarding the coherence and effects of this body of law.

Approaches the study of Indian law through the lens of 16 of the most impactful law review articles.

Nearly every American Indian tribe has its own laws and courts. Taken together, these courts decide thousands of cases. Many span the full panoply of law—from criminal, civil, and probate cases, to divorce and environmental disputes. American Indian Tribal Law, now in its Second Edition, surveys the full spectrum of tribal justice systems. With cases, notes, and historical context, this text is ideal for courses on American Indian Law or Tribal Governments—and an essential orientation to legal practice within tribal jurisdictions. New to the Second Edition: A new chapter on professional responsibility and the regulation of lawyers in tribal jurisdictions Enhanced materials on Indian child welfare Additional materials on tribal laws that incorporate Indigenous language and culture Additional examples from tribal justice systems and practice Recent and noteworthy cases from tribal courts Professors and students will benefit from: A broad survey of dispute resolution systems within tribal jurisdictions A review of recent flashpoints in tribal law, such as internal tribal political matters, including intractable citizenship and election disputes enhanced criminal jurisdiction over nonmembers and non-Indians tribal constitutional reform, including a case study on the White Earth Nation Cases and material reflecting a wide range of American Indian tribes and legal issues Excerpts and commentary from a wellspring of current scholarship

This second edition keeps pace with legal developments in policy, federal law, and court decisions, while it continues to fill a unique niche as a primary and secondary text for courses in the field. Updates are provided for key developments such as the recent U.S. Supreme Court decision on tribal sovereign immunity and the release of the U.S. Bureau of Indian Affairs Guidelines on the interpretation of the Indian Child Welfare Act. A new chapter on Ethics and Professional Responsibility in Indian Law Practice is included. -- from publisher's website.

This guide provides a reliable resource on American Indian law. This authoritative text covers the essentials of this complex body of law with emphasis on the governmental policies underlying it. It includes chapters on Indian gaming and Alaska native law, but does not include specialized problems of Oklahoma and New York Indians, urban Indians, or native Hawaiians.

In the early 1970s, the federal government began recognizing self-determination for American Indian nations. As sovereign entities, Indian nations have been able to establish policies concerning health care, education, religious freedom, law enforcement, gaming, and taxation. David E. Wilkins and K. Tsianina Lomawaima discuss how the political rights and sovereign status of Indian nations have variously been respected, ignored, terminated, and unilaterally modified by federal lawmakers as a result of the ambivalent political and legal status of tribes under western law.

A perfect introduction to a vital subject very few Americans understand-the constitutional status of American Indians Few American s know that Indian tribes have a legal status unique among America's distinct racial and ethnic groups: they are sovereign governments who engage in relations with Congress. This peculiar arrangement has led to frequent legal and political disputes-indeed, the history of American Indians and American law has been one of clashing values and sometimes uneasy compromise. In this clear-sighted account, American Indian scholar N. Bruce Duthu explains the landmark cases in Indian law of the past two centuries. Exploring subjects as diverse as jurisdictional authority, control of environmental resources, and the regulations that allow the operation of gambling casinos, American Indians and the Law gives us an accessible entry point into a vital facet of Indian history.
