About the Author. Neil A.

File Type PDF Biology Fifth Edition Campbell Reece

Campbell has taught general biology for 30 years, and with Dr. Reece, has coauthored Biology, Sixth Edition, the most widely used text for biology majors. His enthusiasm for sharing the fun of science with students stems from his own undergraduate experience. He began at Long Beach State College as a history major, but switched to zoology after general education requirements "forced" him to take a science course.
