BS 6031(1981) : 1981 | CODE OF PRACTICE FOR EARTHWORKS ...

Earthworks are a feature of nearly every geotechnical project and so the subject of this meeting will be of interest and relevance to all BGA members. As well as introducing the main aspects of the new standard, the speakers will discuss how BS 6031, the BS Code of Practice for Earthworks, will be updated to align it with the new European standard.
