This business plan for Kloe Venture Capital Services will serve as a medium for bringing to success the vision and mission of this business. The founders are also of the opinion that this business plan can be subject to change, in order to accommodate any unforeseen changes that may occur in the venture capitalist sub-sector, in the future.

Venture Capital Firm Business Plan Sample

The individual who owns these types of business ventures is the one responsible for everything about the business. He will be the one who will manage the business and handle the profits that will come in. When the business doesn't do well, then he will be the one to pay for the expenses and liabilities that will come up. It is the most basic and the simplest of all as there is only one decision maker involved here.
