Catching the Big Fish is a blend of thoughts and themes, sometimes random like a stream of consciousness, or -- the analogy he personally prefers for creativity -- casting a hook into a bottomless sea. The book melds biography, film analysis, philosophy and spirituality with a heart-on-sleeve sincerity, while incorporating a narrative of the author's passion for charting the world of dreams and ideas and rendering them unto action."

Lynch is a long-time practitioner of Transcendental Meditation (TM), which is a mantra-based meditation in which the meditator silently repeats a mantra given to him or her by a teacher. The central analogy posed by Lynch is that meditation expands the consciousness and this allows one to catch bigger fish (more profound and creative ideas) through one's art.
