It is an unusual author who is prepared to tackle such emotionally charged subjects in one sitting, but I think Loretta Lost does this tactfully and with great empathy. As a fellow reviewer has pointed out, I think the seriousness of the topic is softened by the humorous banter that takes place between the main characters.

Loretta Lost writes for the same reason that you read: to experience all the love and excitement that can often be lacking from real life. She finds it therapeutic to explore her issues through the eyes of a different person. She hopes to have a family someday, but until then, her characters will do nicely. Loretta is the author of the Clarity series.
