Enclosed here are a few of the speeches at Elizabeth I Tudor gave during her tenure as Queen of England.

This setting of the familiar William Blake text explores the full range of dynamics and emotions. From the soft, tender, treble beginnings to the full-throated, ecstatic, and joyful "rejoicing" of the vales, this selection is a concert showpiece for the very best choirs. You can also pair it with "The Tyger" (15/2706R) to make a concert set.

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill (The Telegraph). "[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted." Criterion

*What to the Slave Is the Fourth of July?* (1852) is a novella by Frederick Douglass. Having escaped from slavery in the South at a young age, Frederick Douglass became a prominent orator and autobiographer who spearheaded the American abolitionist movement in the mid-nineteenth century. In this famous speech, published widely in pamphlet form after it was given to a meeting of the Rochester Ladies' Anti-Slavery Society on July 5th, 1852, Douglass exposes the hypocrisy of America's claim to Christian and democratic ideals in spite of its legacy of enslavement. Personal and political, Douglass' speech helped inspire the burgeoning abolitionist movement, which fought tirelessly for emancipation in the decades leading up to the American Civil War. "What have I, or those I represent, to do with your national independence? Are the great principles of political freedom and of natural justice, embodied in that Declaration of Independence, extended to us?...What, to the American slave, is your 4th of July? I answer; a day that reveals to him, more than all other days in the year, the gross injustice and cruelty to which he is the constant victim." Drawing upon his own experiences as an escaped slave, Douglass offers a critique of American independence from the perspective of those who had never been free within its borders. Hopeful and courageous, Douglass' voice remains an essential part of our history, reminding us time and again who we are, who we have been, and what we can be as a nation. While much of his radical message has been smoothed over through the passage of time, its revolutionary truth continues to resonate today. With a beautifully designed cover and professionally typeset manuscript, this edition of Frederick Douglass' *What to the Slave Is the Fourth of July?* is a classic of African American literature reimagined for modern readers.

Test Prep Books' AP Human Geography 2020 and 2021 Study Guide: AP Human Geography Review Book and Practice Test Questions [Updated for the New Exam Description] Made by Test Prep Books experts for test takers trying to achieve a great score on the AP Human Geography exam. This comprehensive study guide includes: Quick Overview Find out what's

inside this guide! Test-Taking Strategies Learn the best tips to help overcome your exam!

"Terrifying... Eloquent... A heart-rending drama of human yearning." --New York Times In April  
1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the  
wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his  
car and most of his possessions, burned all the cash in his wallet, and invented a new life for  
himself. Four months later, his decomposed body was found by a moose hunter. How  
Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild.  
Immediately after graduating from college in 1991, McCandless had roamed through the West  
and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In  
the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his  
cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by  
money and belongings, he would be free to wallow in the raw, unfiltered experiences that  
nature presented. Craving a blank spot on the map, McCandless simply threw the maps away.  
Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer  
constructs a clarifying prism through which he reassembles the disquieting facts of  
McCandless's short life. Admitting an interst that borders on obsession, he searches for the  
clues to the dries and desires that propelled McCandless. Digging deeply, he takes an  
inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the  
American wilderness on our imagination; the allure of high-risk activities to young men of a  
certain cast of mind; the complex, charged bond between fathers and sons. When  
McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of  
tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have  
had a death wish but wanting to die is a very different thing from being compelled to look over  
the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and  
the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a

rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

Poe's preference for not naming his narrators is potent once again in "The Tell-Tale Heart", a story that is trying so hard to appear sane, but fails miserably in the end. With minute preparations, perfect calculations, and even more precise execution of the conceived gruesome act, the narrator successfully fulfils his purpose, only to be lost in a battle with his sanity and guilt afterwards. Backed by the numerous movie and theatrical adaptations, the story is considered one of Poe's most popular and critically acclaimed. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

Explore the role the bicycle played in the women's liberation movement.

In a heart-wrenching, candid autobiography, a human rights activist offers a firsthand account of war from the perspective of a former child soldier, detailing the violent civil war that wracked his native Sierra Leone and the government forces that transformed a gentle young boy into a killer as a member of the army. 75,000 first printing.

The story of one African-American family fighting to stay together and strong in the face of brutal racist attacks, illness, poverty, and betrayal in the Deep South of the 1930s.
