This unit describes the skills and knowledge required to assist clients to identify their rights, voice their needs and concerns and realise their interests, rights and needs.

Though not exactly a mystery in the traditional sense, Mary Roberts Rinehart's Where There's a Will certainly has its fair share of intrigue, chicanery and deception. At stake is the ownership of Hope Springs, a family-owned health resort whose future appears uncertain in the aftermath of the longtime manager's demise. When a well-meaning group of employees band together to try to take matters into their own hands, all hell breaks loose.

This volume is one of three works on the Yoga system written at the dawn of the 20th century by Yogi Ramacharaka (generally understood to be William Atkinson, a new thought pioneer and prolific author and publisher.)It is quite good, combining calisthenic exercises and breathing techniques with philosophy both genuinely Eastern and occidental in derivation. It ought to be noted that some of the breathing techniques are taken verbatim from another Ramacharaka work, entitled "The Hindu Yogi Science of Breath."

This unit describes the skills and knowledge to provide services to an older person. It involves following and contributing to an established individual plan.

This unit describes the skills and knowledge required to identify networking and collaboration needs and develop formal and informal partnerships to enhance service delivery and improve professional practice. This unit applies to work in all industry sectors, and to individuals who take pro-active responsibility for improving collaboration between workers and organisations.

Uses the National Career Development Association's Career Counseling Competencies, the National Career Development Guidelines for professional school counselors, and CACREP Standards as a framework for covering the knowledge areas and skills required for effective career development interventions in a diverse society.

This unit describes the skills and knowledge required to work positively with the carers and families of people using the service based on an understanding of their support needs.
