We live in a cynical age in which only one prejudice is tolerated--anti-Christian bigotry. Yet despite the unbridled slanders and attacks against the faith, one powerful truth is undeniable: if Christ had never been born, nearly every facet of human life would be much more miserable than it is today. Arranged topically and presenting compelling, little-known historical facts, What If Jesus Had Never Been Born? clearly demonstrates that an enormous array of benefits to humankind--from economics to art to government, science to civil liberties, morality to health, and beyond--would never have occurred had Jesus Christ not lived.

Do you ever find yourself wondering . . . Is it actually possible to know, beyond the shadow of a doubt, that I am going to heaven? If you say that my salvation is "eternally secure" and that I can never lose it, does that mean that I can commit any sin and still go to heaven? How can an understanding of "eternal security" make a difference in my Christian life? With the wisdom and skill of a man who has personally wrestled with these questions, internationally-known pastor and bestselling author Charles Stanley addresses the age-old issue of grace vs. works in this compassionate, straight-forward book. With questions at the end of each chapter, Eternally Secure is an excellent choice for individual or group study. 'I know from experience that until you settle once and for all the question of whether or not you are eternally secure, joy will elude you. Therefore, it is my prayer that God will use this book in your life and that in the very near future you will be able to face life with the confidence that comes through knowing you are eternally secure. '?Charles Stanley Previously published in hardcover (0840790953).

What is "expository preaching?" In this brilliant new book, Dr. Stephen Olford and Dr. David Olford, both widely respected preachers in their own right define "expository preaching" ("exposing Scripture instead of imposing upon it"), teach its technique, and express its significance ("all true preaching is expository"). This book equips and encourages preachers of all kinds to respect their calling and minister God's inerrant Word by the Olford's marvelous methods.
