Looks at the work of a range of critics, including Elaine Showalter, Kate Millett, Gayatri Chakravorty Spivak and the French feminists. The critical approaches encompass Marxist feminism and contemporary critical theory as well as other forms of discourse. It also provides an overview of the developments in feminist literary theory, and covers all the major debates within literary feminism, including "male feminism".

Feminism has dramatically influenced the way literary texts are read, taught and evaluated. Feminist literary theory has deliberately transgressed traditional boundaries between literature, philosophy and the social sciences in order to understand how gender has been constructed and represented through language. This lively and thought-provoking Companion presents a range of approaches to the field. Some of the essays demonstrate feminist critical principles at work in analysing texts, while others take a step back to trace the development of a particular feminist literary method. The essays draw on a range of primary material from the medieval period to postmodernism and from several countries, disciplines and genres. Each essay suggests further reading to explore this field further. This is the most accessible guide available both for students of literature new to this developing field, and for students of gender studies and readers interested in the interactions of feminism, literary criticism and literature.

Now in its third edition, Feminist Literary Theory remains the most comprehensive, single volume introduction to a vital and diverse field Fully revised and updated to reflect changes in the field over the last decade Includes extracts from all the major critics, critical approaches and theoretical positions in contemporary feminist literary studies Features a new section, Writing 'Glocal', which covers feminism's dialogue with postcolonial, global and spatial studies Revised chapter introductions provide readers with helpful contextual information while extensive notes offer recommendations for further reading

The first major book of feminist critical theory published in the United States is now available in an expanded second edition. This widely cited pioneering work presents a new introduction by the editor and a new bibliography of feminist critical theory from the last decade. This book has become indispensable to an understanding of feminist theory. Contributors include Cheri Register, Dorin Schumacher, Marcia Holly, Barbara Currier Bell, Carol Ohmann, Carolyn Heilbrun, Catherine Stimpson, and Barbara A. White.

Feminism has transformed the academic study of literature, fundamentally altering the canon of what is taught and setting new agendas for literary analysis. In this authoritative history of feminist literary criticism, leading scholars chart the development of the practice from the Middle Ages to the present. The first section of the book explores protofeminist thought from the Middle Ages onwards, and analyses the work of pioneers such as Wollstonecraft and Woolf. The second section examines the rise of second-wave feminism and maps its interventions across the twentieth century. A final section examines the impact of postmodernism on feminist thought and practice. This book offers a comprehensive guide to the history and development of feminist literary criticism and a lively reassessment of the main issues and authors in the field. It is essential reading for all students and scholars of feminist writing and literary criticism.

Cruel fate has decided the future of two warriors. "Wayfarer's Dawn holds all the gripping and alluring aspects of an epic fantasy adventure." A crown prince awakens one fateful day alone in a desolate field. He knows not where he is nor how he got there. Recurring nightmares suggest royal treachery is behind his predicament and, oddly, that he should be dead. An enigmatic man narrowly survives the fallout from a blazing comet's collision with the earth. His memory lost, he strives for contentedness in everyday life. The trauma he suffered, however, threatens to destroy him. Feelings of grief and visions of death fight to break free from the black wall within his mind. They exist in a world fraught with upheaval, where the forces of evil are mounting and the gods are becoming less and less responsive to the prayers of their followers. Unknowingly, they hold the key to saving their world and, quite possibly, the entire Ultraverse.

First Published in 1997. Routledge is an imprint of Taylor & Francis, an informa company.

These twenty autobiographical essays by eminent feminist literary critics explore the process by which women scholars became feminist scholars, articulating the connections between the personal and political in their lives and work. They describe the experiences that radicalised women within academia and without, as students, professors, scholars, political activists, women. From these diverse histories a collective history emerges of the development of feminism as an intellectual and social movement, as a heuristic tool, as the redefinition of knowledge and power. This book presents a history of the field through the eyes of those who have created it. Offering a spectrum of experiences and critical positions that engage with current debates in feminism, it will be valuable to teachers and students of feminist theory, women's studies, and the history of the women's movement. It will interest female writers and scholars in all disciplines and anyone who cares about feminism and its future.
