This book is one of the classics of lace knitting, referred to in many more modern books. I bought it to have it in my collection. The instructions are good especially as there are both chart and 'old fashioned' written instructions, so that you can check the chart with the traditional k1, p1 type pattern - useful if you are new to chart reading.

A beautiful and detailed introduction to tatting! With the growing interest in lace, *New Tatting* is a fantastic book for getting started in the craft. Tatting is a means of creating lace by looping threads together using tiny shuttles and your fingers (with occasional help from a crochet hook). It creates dainty chains and edgings as well as single motifs and is used to edge and decorate textiles and clothing, as jewelry, or as large-scale lace projects in itself. Tatting is getting new respect in the crafting world as people discover its traditional beauty while giving it a more modern inflection. In *New Tatting*, you will explore modern color and a fresh approach to tatting with incredible
