I describe this outrage, the darkness of  
persistent poverty and the low status of  
women, and the scandalous injustices that  
ravage the health of poor women in many  
poorer countries. Yet there is another side  
to this story. Change is possible, brought  
on by the courage of women to shine a  
light in the darkness and take action.

These efforts are represented here by the  
poetry of women and the ...

”From Outrage to Courage shows how the abrogation of women's rights around the world persists as a central issue for everyone concerned with human rights. Panoramic in scope, this book illuminates the details of women's lives—their struggles, their resilience, and the ability of so many to respond with practical and visionary solutions. A rare combination of clear analysis and inspiration ...
