Roald Dahl is perhaps one of the MOST likeable of narrators. Modest to a fault and blessed with a very sly and subtle sense of humor, the story Dahl tells in GOING SOLO, his sequel to BOY, is perhaps one of the most readable memoirs of modern times.

[Going Solo - Roald Dahl](#)

Like “Into the Night,” “Going Solo” was first recorded as a solo jazz piano track — but it was an instrumental through and through, without ever being considered a song with words. The piece was dense — going beyond jazz into a mix of Broadway, cabaret, with a splash of burlesque.

Going Solo | Reading Quiz - Quizizz

"Going Solo" is similar to the narrative non-fiction of books like "Freakonomics" or Malcolm Gladwell's "The Tipping Point". "Going Solo" could have been an amazingly fascinating read, but it runs into a little trouble in the statistics department. Specifically, there are too many, too much, way way overkill.

With eye-opening statistics, original data, and vivid portraits of people who live alone, renowned sociologist Eric Klinenberg upends conventional wisdom to deliver the definitive take on how the rise of going solo is transforming the American experience. Klinenberg shows that most single dwellers—whether in their twenties or eighties—are deeply engaged in social and civic life. There's even evidence that people who live alone enjoy better mental health and have more environmentally sustainable lifestyles. Drawing on more than three hundred in-depth interviews, Klinenberg presents a revelatory examination of the most significant demographic shift since the baby boom and offers surprising insights on the benefits of this epochal change.

The children's author recounts his adventures as a young man working in East Africa for the Shell Company, living in the jungle, and later flying a fighter plane in World War II.

In Going Solo, the world's favourite storyteller, Roald Dahl, tells of life as a fighter pilot in Africa. 'They did not think for one moment that they would find anything but a burnt-out fuselage and a charred skeleton, and they were astounded when they came upon my still-breathing body lying in the sand nearby.' In 1938 Roald Dahl was fresh out of school and bound for his first job in Africa, hoping to find adventure far from home. However, he got far more excitement than he bargained for when the outbreak of the Second World War led him to join the RAF. His account of his experiences in Africa, crashing a plane in the Western Desert, rescue and recovery from his horrific injuries in Alexandria, flying a Hurricane as Greece fell to the Germans, and many other daring deeds, recreates a world as bizarre and unnerving as any he wrote about in his fiction. 'Very nearly as grotesque as his fiction. The same compulsive blend of wide-eyed innocence and fascination with danger and horror' Evening Standard 'A non-stop demonstration of expert raconteurship' The New York Times Book Review Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have

often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

The author describes his summer vacations as a child in Norway, life in an English boarding school, adventures as a young man working in East Africa for the Shell Company, and being a fighter pilot in World War II.

Roald Dahl's life was as bizarre, frightening, exciting and funny as the stories he wrote. Now you can read the whole of his extraordinary autobiography in one volume.

As parents face the difficult reality of a broken home, a sense of being completely overwhelmed can shut down the perspective they need to find restoration. Parents need to know that they can choose to define this season of their lives, instead of becoming defined by circumstances. They can deliberately look toward God and come to a deeper understanding of His true nature, power, and intimate care. As this former Christian music industry executive shares his story of divorce, his seven years as a single father, and his transition to a second marriage and a blended family, he also offers readers some hard-learned lessons and insights on being an effective, empathetic, and empowered single parent, answering crucial questions such as: How do I find peace when everything around me is chaos? How do I manage meeting needs when I have nothing to give? How and where do I begin again? The author addresses the fears and exhaustion of single parenting, while revealing the keys to gaining strength and courage for each day. He also shares how he found his "solo" relationship with his heavenly Father through his "solo" parenting season. Readers will learn five helpful habits and practical healing principles they can immediately apply in this season of life.

Boy and Going Solo is the whole of Roald Dahl's extraordinary autobiography in one volume. Roald Dahl wasn't always a writer. Once he was just a schoolboy. Have you ever wondered what he was like growing up? In BOY you'll find out why he and his friends took revenge on the beastly Mrs Pratchett who ran the sweet shop. He remembers what it was like taste-testing chocolate for Cadbury's and he even reveals how his nose was nearly sliced off. Then in GOING SOLO you'll read stories of whizzing through the air in a Tiger Moth Plane, encounters with hungry lions, and the terrible crash that led him to storytelling. Roald Dahl tells his story in his own words - and it's all TRUE. And now you can listen to all of Roald Dahl's novels for children on Roald Dahl Audiobooks read by some very famous voices, including Kate Winslet, David Walliams and Steven Fry - plus there are added squelchy soundeffects from Pinewood Studios! Also look out for new Roald Dahl apps in the App store and Google Play- including the disgusting TWIT OR MISS! and HOUSE OF TWITS inspired by the revolting Twits.

Penny's life is back to normal. As Penny starts the school year she's ready to face the world - alone. Noah has gone off the radar after ending his world tour early and no one, including Penny, knows where he is. So when she accepts Megan's invitation to visit her performing arts school it seems like an opportunity to make some new friends. Helping everyone else seems to be the right remedy. Elliot needs her friendship more than ever, and she meets Posey - struggling with stage fright and in need of support. But is charming Scottish boy Callum the right kind of distraction? And can Penny truly move on when Noah's shadow seems to haunt her round every corner? Book three in the number-one bestselling Girl Online series.

Going Solo is the empowering and uplifting story of one woman's choice to become a single mother. 'I hope this story gives hope to anyone who wants children and to anyone who finds themselves single. Not to follow this path necessarily, but to remember that there are always many options.' Aged thirty-seven, single and having experienced two miscarriages, Genevieve Roberts found out that her fertility levels were dwindling. On hearing this news, she made the courageous decision to embark on motherhood solo and eventually became pregnant using a sperm donor. Genevieve describes her initial fear of the prospect of birth without a partner, and the trepidation she felt towards all the responsibility she has taken on. She recounts all the milestones of pregnancy and motherhood that most women share with their partner -- going to NCT classes alone, taking part in birthing workshops with her sister-in-law, her amazement that two people in her pregnancy yoga class are following the same path as her. But ultimately what triumphs is Genevieve's excitement at meeting her daughter. She recalls the first months of parenthood, navigating the love, worry and tiredness of life with a newborn without a partner. She describes the beautiful simplicity of the relationship between herself and her daughter, as she gets to know Astrid without having to consider a partner. Going Solo is for anyone whose life has taken an unexpected twist; for people who are interested in modern families and for those who want to take control of their life and follow their dreams of parenthood. It celebrates the fulfilment that comes from following what makes you happy, and reminds us that beauty may be found when life offers a surprise or a deviation from convention.

Penny's life is back to normal. As Penny starts the school year she's ready to face the world - alone. Noah has gone off the radar after ending his world tour early and no one, including Penny, knows where he is. So when she accepts Megan's invitation to visit her performing arts school it seems like an opportunity to make some new friends. Helping everyone else seems to be the right remedy. Elliot needs her friendship more than ever, and she meets Posey - struggling with stage fright and in need of support. But is charming Scottish boy Callum the right kind of distraction? And can Penny truly move on when Noah's shadow seems to haunt her round every corner? Book three in the number-one bestselling Girl Online series.
