“Hilarious. . . . It’s Cliff Notes for Scripture—screenplay by Plotz, story by God. . . . In the end, though, the book is made by the spirit of the writer.” — The New York Times Book Review “Like the Bible itself, Good Book contains multitudes—it is by turns thought-provoking, funny, enlightening and moving.” — A. J. Jacobs, author of The Year of Living Biblically “Plotz is a genius writer.” — Franklin Foer, author of

How Soccer Explains the World A whip-smart, laugh-out-loud tour through the most important book in the world, a book most people have never read: the Bible.

“Classics” (the books you’ve lied about reading). Actual Classics (Greek and Latin books people don’t even pretend to have read). Contemporary fiction (those books people talk about at parties that you’ve “definitely heard of” but never bothered to pick up). Children’s (books that say the most with the fewest number of words, i.e. “The Best Books”). Reference (Those books that were around before Google). From children’s literature, *The Very Hungry Caterpillar* gets the retitle *Eat Until You Feel Pretty*. An American classic, *The Great Gatsby* is switched to *Drink Responsibly*. And from contemporary fiction, *Gone Girl* is retitled *A Tale of Two Shitty People*. There’s something here for every reader.

A hilarious, faith building, and Christ-centred exploration of all the weird, crude, funny, and nude parts of the Bible that we rarely look at. Contains 15 exciting illustrations. Great for teenagers who struggle to engage with the Bible.

Atlas Obscura meets 1001 Facts to Scare the Sh\*t Out of You in this serious survey of the most bizarre, creepy, and sometimes hilarious customs from cultures around the world. Every culture handles life differently. From the “blackening of the bride” in Scotland and the custom of not looking babies in the eyes in Kenya, to enlisting geese as part of the police squad in China and the tradition of children eating

bread with chocolate sprinkles for breakfast in Amsterdam, there are so many unique behaviors all across the world. In Bizarre World, journey across the globe to understand how various cultures approach everything from grief, beauty standards, food, parenting, death, stress management, happiness, and more. Many customs may seem perfectly sane, while others, not so much. Some are just downright strange, funny, or weird. There's so much to discover about the people around us and the beliefs they hold. Let Bizarre World be your armchair guide to a different way of life with quick facts and "did you know?" that will leave you saying, "huh, that's strange."

**WHAT THE HECK IS AN INTERNET MEME?** Meme (pronounced meem): An idea, belief or element of social behavior spread that is transmitted from one person or group of people to another. This word was coined in the '70s by Richard Dawkins, the atheist godman worshipped by neckbeards everywhere. Simply put, Internet memes are memes that spread on the Internet through social networking sites, blogs, email, news sources, and so on. In the real world they're called "ideas," but pseudo-intellectuals prefer "memes."  
**WHERE DO INTERNET MEMES COME FROM?** Amongst all the stupid crap on the Internet are hilarious gems of wit and wisdom. Most of the best memes start as images shared on the Web and, by some great misfortune, they find their way into the lecherous hands of drunken basement trolls who mutate these images into the hilarious, the lame, and sometimes the downright bizarre.  
**WHAT IS THIS BOOK?** This book will take you on bizarre journey

through the bilges of the Internet and introduce you to 23 of its funniest and most popular memes, complete with a sh\*tload of images that might just make you wet your panties. "On this journey you will share lulz with unsavory characters like..." "Foul Bachelor Frog" "Socially Awkward Penguin" "Paranoid Parrot" "Courage Wolf" "Advice God" "Joseph Ducreux" "Hipster Kitty" "Inglip" "Successful Black Man" "Forever Alone" "Bill O'Reilly" "And more..." Scroll up and click the "Buy" button now to laugh your a\*\* off at the twisted hive mind of the Internet underworld...

A fascinating study of a radical experiment in human breeding describes the recruitment of Nobel Prize winners and other accomplished men as donors to a genius sperm bank, whose mission was to breed a cadre of brilliant scientists and leaders, profiling both a number of the donors and the children fathered through the sperm bank. Reprint. 25,000 first printing.

Unusual baseball moments, told through black-and-white comic strips

A perennial bestseller that begins with a warning: Proceed with caution. This book is only for those with a twisted imagination. Be prepared to leave conventional thought behind and join the ranks of the demented and insane. Previously published as *Would You Rather . . . ?*, with 356,000 copies in print, *Damned If You Do . . .* is an addictive game in a book that challenges readers to ask—and attempt to answer—more than 400 questions that range from the heinous to the

## Read Online Good Book The Bizarre Hilarious Disturbing Marvelous And Inspiring Things I Learned When I Rea

nauseating to the downright disturbing. Each is a field-tested conversation starter guaranteed to provoke ridiculous fun, break the ice at any party, and, like some kind of sick Rorschach test, open a unique window into the minds of friends and family. Some questions delight in their own grossness: Would you rather . . . Eat three earthworms—OR—wear a necklace made of them on your wedding day? Be trapped in an elevator with wet dogs—OR—three fat men with bad breath? Some force you to reveal values: Would you rather . . . Age only from the neck up—OR—age only from the neck down? Be stupid and rich—OR—smart and poor? Some create that squirming sensation: Would you rather . . . Get a bad case of poison ivy way up inside your nose—OR—inside your inner ear? And some are just deliciously absurd. Each question also features related, often off-the-wall information, from quotes to dumb jokes to delightfully odd trivia (326-pound President William Howard Taft once got stuck in the White House bathroom).

Like many Jews and Christians, David Plotz long assumed he knew what was in the Bible. He read parts of it as a child in Hebrew school, then attended a Christian high school where he studied the Old and New Testaments. Many of the highlights stuck with him—Adam and Eve, Cain versus Abel, Jacob versus Esau, Jonah versus whale, forty days and nights, ten plagues and commandments, twelve tribes and apostles, Red Sea walked under, Galilee walked on, bush into fire, rock into water, water into wine. And, of course, he absorbed from all around him other bits of the Bible—from stories he heard in churches and synagogues, in movies and on

## Read Online Good Book The Bizarre Hilarious Disturbing Marvelous And Inspiring Things I Learned When I Rea

television, from his parents and teachers. But it wasn't until he picked up a Bible at a cousin's bat mitzvah—and became engrossed and horrified by a lesser-known story in Genesis—that he couldn't put it down. At a time when wars are fought over scriptural interpretation, when the influence of religion on American politics has never been greater, when many Americans still believe in the Bible's literal truth, it has never been more important to get to know the Bible. Good Book is what happens when a regular guy—an average Job—actually reads the book on which his religion, his culture, and his world are based. Along the way, he grapples with the most profound theological questions: How many commandments do we actually need? Does God prefer obedience or good deeds? And the most unexpected ones: Why are so many women in the Bible prostitutes? Why does God love bald men so much? Is Samson really that stupid? Good Book is an irreverent, enthralling journey through the world's most important work of literature.

This humorous book is full of new insights into ways we've been missing the point of so many beloved Bible stories. Approximately 80 percent of Americans admit they haven't read the Bible. If they did, they'd be pleasantly surprised by its impressive quantity of sex and poop jokes. David danced naked. Noah was basically a moonshining hillbilly. Ezekiel baked poop bread. Herod was eaten by worms. Jesus cursed a fig tree, just to prove he could. Mark went streaking. Hosea married a prostitute. Lot was date-raped by his own daughters. It turns out, there's a lot of weird stuff in the Bible. Murder-Bears, Moonshine, and Mayhem is a funny

## Read Online Good Book The Bizarre Hilarious Disturbing Marvelous And Inspiring Things I Learned When I Rea

look at some of the stranger tales in the Bible. From Elisha, who loosed homicidal bears on some kids because they called him bald (it's a long story), to the story of Ehud, who gets away with assassinating a tyrannical king because his servants think said king is taking a dump (also a long story), this book examines and casts new light on some of the Bible's stranger moments. Organized by topic (poop, genitalia, weird violence, prostitution, gratuitous nudity, seemingly pointless miracles, and other fun stuff), Murder-Bears, Moonshine, and Mayhem is a thoroughly researched (really!), reverent, and insightful look at the amazing book at the center of our faith.
