Local Government area of Lagos State. A designed research instrument was used to generate relevant data for the study- The data were tested using percentage and Chi-square statistical tools. Three null hypotheses were tested in the study which revealed that teachers' participation in school decision making has significant relationship on their job productivity; principals' leadership styles have significant relationship on teachers' involvement in school decision-making, management effectiveness has significant influence on job productivity in schools.

## Acces PDF Human Relations In Organizations Applications And Skill

Based on the findings, some recommendations were made to the principals to encourage teachers to participate in important school discussions that will motivate them to develop a sense of belongingness to the organizations and enhance their job productivity.
