Intuition: Knowing Beyond Logic by Osho
(9780312275679)

Osho explains that intuition is an inner and ancient intelligence that every human possesses that is beyond thought. We don't have to do anything to gain it, we already have it. So why aren't we using it? Because we have big egos that get in the way.

Discover your own deep well of wisdom in *Intuition: Knowing Beyond Logic*—from one of the greatest spiritual teachers of the twentieth century. Intuition deals with the difference between the intellectual, logical mind and the more encompassing realm of spirit. Logic is how the mind knows reality, intuition is how the spirit experiences reality. Osho's discussion of these matters is wonderfully lucid, occasionally funny, and thoroughly engrossing. All people have a natural capacity for intuition, but often social conditioning and formal education work against it. People are taught to ignore their instincts rather than to understand and use them as a foundation for individual growth and development—and in the process they undermine the very roots of the innate wisdom that is meant to flower into intuition. In this volume, Osho pinpoints exactly what intuition is and gives guidelines for how to identify its functioning in others

and ourselves. You will learn to distinguish between genuine intuitive insight and the “ wishful thinking ” that can often lead to mistaken choices and unwanted consequences. Includes many specific exercises and meditations designed to nourish and support each individual ’ s natural intuitive gifts. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “ 1000 Makers of the 20th Century ” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

OSHO mistakes choices and unwanted consequences. Includes many specific exercises and meditations designed to nourish and support each individual's natural intuitive gifts. OSHO challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to experience life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people-along with Gandhi, Nehru, and Buddha-who have changed the destiny of India. More than a decade after his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

One of the greatest spiritual teachers of the twentieth century shares his wisdom about building loving relationships in Intimacy:

Read Free Intuition Knowing Beyond Logic

Trusting Oneself and the Other. “ Hit-and-run ” relationships have become common in our society as it has grown more rootless, less tied to traditional family structures, and more accepting of casual sex. But at the same time, there arises an undercurrent of feeling that something is missing—a quality of intimacy. This quality has very little to do with the physical, though sex is certainly one possible door. Far more important is a willingness to expose our deepest feelings and vulnerabilities, with the trust that the other person will treat them with care. Ultimately, the willingness to take the risk of intimacy has to be grounded in an inner strength that knows that even if the other remains closed, even if that trust is betrayed, we will not suffer any permanent damage. In this gentle and compassionate guide, Osho takes his readers step-by-step through what makes people afraid of intimacy, how to encounter those fears and go beyond them,

Read Free Intuition Knowing Beyond Logic

and what they can do to nourish themselves and their relationships to support more openness and trust. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “ 1000 Makers of the 20th Century ” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Today, humanity is caught up in the mad complexity of the mind, and as never before, there is an urgent need to rediscover simplicity and innocence. Osho brings to life the inherent and timeless wisdom of

Read Free Intuition Knowing Beyond Logic

traditional Zen stories. He shows us that Zen is a way of dissolving philosophical problems, not of solving them. It is a way of getting rid of philosophy, because philosophy is a sort of neurosis. Zen is for those intelligent enough to understand the limitations of the intellect and ready to recognize the significance of intuition in the world of mysticism.

In *Trust*, the eleventh volume in the *Insights for a New Way of Living* series, Osho helps readers re-evaluate the idea of trust. We live in times where trust in old institutions and their relevance to our lives have evaporated. Religions, ideologies, political systems, morals, family, marriages—none of these traditional institutions are working anymore. Osho's insight is that the institutions of the past have used the false substitutes of “belief” and “faith” as control mechanisms of society. Whereas

Read Free Intuition Knowing Beyond Logic

authentic trust comes from within, belief systems are imposed from the outside by religious and social institutions. Osho encourages readers to rediscover and reclaim the innate trust that is born with each individual. No more demands to trust in an “ other. ” No more faith and belief, with their demands that we drop all questioning and doubt, but rather a willingness to honor our questions and doubts so fully that they will lead us to our unique, authentic, and individual truth.

One of the twentieth century ’ s greatest spiritual teachers presents a unique and valuable resource for all students and practitioners of the Tarot. A must have for owners of the phenomenally popular Osho Zen Tarot, this in-depth study of the meanings of the cards in the Osho Zen Tarot deck will also appeal to those who use the Rider, Crowley, and other, more traditional

Read Free Intuition Knowing Beyond Logic

cards. The “ here and now ” approach of Zen offers the insight that the future evolves out of present events, ideas, and attitudes. Playful and accessible even to the novice, this remarkable handbook includes a table of correspondences for the Rider-Waite and Crowley cards, and special sections on the meanings of the four major elements, or “ suits ” in the Tarot system. Tarot in the Spirit of Zen introduces readers to a deeper understanding of the Zen approach to becoming aware of and responding to life ’ s challenges. Just like the Osho Zen Tarot deck, this book offers a fresh and contemporary approach to anyone who is interested in self-exploration and personal transformation. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “ 1000 Makers of the

20th Century ” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Learn how to set yourself free with the philosophies of one of the twentieth century ’ s greatest spiritual teachers in *Freedom: The Courage to Be Yourself*. In *Freedom*, Osho outlines three stages of freedom. The first is “ freedom from, ” which is a freedom that comes from breaking out of what he calls the “ psychological slavery ” imposed by outside forces such as parents, society, or religion. The next stage is “ freedom for, ” a positive freedom that comes from embracing and creating something—a fulfilling relationship, for example, or an

Read Free Intuition Knowing Beyond Logic

artistic or humanitarian vision. And lastly there is “ just freedom, ” the highest and ultimate freedom. This last freedom is more than being for or against something; it is the freedom of simply being oneself and responding truthfully to each moment. This book helps readers to identify the obstacles to their freedom, both circumstantial and self-imposed, to choose their battles wisely, and to find the courage to be true to themselves. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “ 1000 Makers of the 20th Century ” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all

ages in virtually every country of the world.

From one of the greatest spiritual leaders of the twentieth century, Creativity: Unleashing the Forces Within will inspire you to nurture your inner ideas and innovations—and apply them in every aspect of your life. As Osho points out in this book ’ s foreword, historically, the creative person has been all but forced to rebel against the society. But nowadays, the situation has dramatically changed. In today ’ s world, the ability to respond creatively to new challenges is demanded of everybody, from corporate CEOs to “ soccer moms. ” Those whose toolbox for dealing with life includes only what they have learned in the past from their parents and their teachers are at a distinct disadvantage both in their relationships and in their careers. Making a switch from imitative and rule-bound behavior to

Read Free Intuition Knowing Beyond Logic

Creative innovation and flexibility requires a profound change in our attitudes about ourselves and our capabilities. Creativity is a handbook for those who understand the need to bring more creativity, playfulness, and flexibility to their lives. It ' s a manual for thinking “ outside the box ” —and learning to live there as well. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “ 1000 Makers of the 20th Century ” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Read Free Intuition Knowing Beyond Logic

In Intelligence: The Creative Response to Now, one of the twentieth century 's greatest spiritual teachers reveals a different approach to thinking about our brainpower. In **In Intelligence**, Osho challenges the common conception that the best way to promote intelligence is to train the intellect. Intellect is logical, he says; intelligence is paradoxical. Intellect takes things apart to see how they work; intelligence puts things together to see the functioning of the whole. Osho posits that when our education systems put too much emphasis on developing intellect, an imbalance is created and both the individual and the society suffer. It is only through intelligence that we can respond creatively to the challenges of a changing world. By exploring the distinction between intellect and intelligence, **In Intelligence** encourages readers to be more aware of how they approach problems—logical, emotional, and

Read Free Intuition Knowing Beyond Logic

practical—and how they solve them. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “ 1000 Makers of the 20th Century ” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

A comprehensive and in-depth discussion of the human energy centers known as chakras. The book offers a unique understanding of how these centers, also referred to as “ subtle bodies ” can be identified and experienced, along with how

Read Free Intuition Knowing Beyond Logic

They are related to personal transformation and health. In this volume, Osho gives an overview of the Eastern science of the subtle energy centers in the human body that are sometimes known as “ chakras. ” It is a science that underlies traditional Chinese medicine, Indian Ayurveda, and the practice of kundalini yoga, among other disciplines that recognize the deep connection between mind and body. Osho also shows how these same principles apply to human psychological growth and maturation, and the evolution of consciousness. Self-help, Spirituality, Psychology, Meditation, Esoteric, New Age, Health, Yoga. The title will especially of interest to the large group of people involved with Yoga, as the book describes in simple terms, using everyday experiences as examples, what underlies the Kundalini Yoga approach to the human energy system. The Chakra Book delivers the ‘ esoteric science ’ and understanding
