In "The Outing," faiths are tested and reaffirmed on the journey to Bear Mountain. Baldwin references the Hudson River throughout the story as an "indifferent" force of nature. At one point, during the service on the boat, Baldwin describes the scene of worshippers and skeptics standing there as one, experiencing the whims and throws of the Hudson.

The Queer Syllabus: "The Outing" by James Baldwin. By Dennis Norris II. September 27th, 2018. The Queer Syllabus is a joint project from The Rumpus and Foglifter Press that allows writers to nominate works for a new canon of queer literature. When we identify our roots, when we point to the work that shaped us as writers and as people, we demonstrate that our stories are timeless, essential, and important—and so are we.

"The Outing," for example, represents Baldwin's first fictional treatment of homosexuality, a topic he later addressed in much greater detail in his novels. "Previous Condition" and "Going to Meet the Man" are particularly well regarded, as is the much-anthologized "Sonny's Blues," which is often used as an introduction to his writings.

The Short Stories of James Baldwin

Summary "Previous Condition" is the first story in the collection to be told from a first-person perspective. Its narrator, Peter, is an actor in his twenties, living in New York City and struggling to find gratifying work and a place to live, largely due to the fact that he is black, and white landlords refuse to rent to him, even when his Jewish friend Jules rents rooms in his name.
