MARKETING: THE CORE, 2/e by Kerin, Berkowitz, Hartley, and Rudelius continues the tradition of cutting-edge content and student-friendliness set by Marketing 8/e, but in a shorter, more accessible package. The Core distills Marketing's 22 chapters down to 18, leaving instructors just the content they need to cover the essentials of marketing in a single semester. Instructors using The Core also benefit from a full-sized supplements package. The Core is more than just a "baby Kerin"; it combines great writing style, currency, and supplements into the ideal package.

Marketing: The Core 5e by Kerin, Hartley and Rudelius continues a tradition of leading the market with contemporary, cutting-edge content presented in a conversational student-oriented style, supported by the most comprehensive, innovative, and useful supplement package available. This text and package is designed to meet the needs of a wide spectrum of faculty – from the professor who just wants a good textbook and a few key supplements, to the professor who wants a top-notch fully integrated multimedia program. Marketing: The Core utilizes a unique, innovative, and effective pedagogical approach developed by the authors through the integration of their combined classroom, college, and university experiences. The elements of this approach have been the foundation for each edition of Marketing: The Core and serve as the core of the text and its supplements as they evolve and adapt to changes in student learning styles, the growth of the marketing discipline, and the development of new instructional technologies. The distinctive features of the approach are illustrated below: High Engagement Style - Easy-to-read, interactive, writing style that engages students through active learning techniques. Personalised Marketing - A vivid and accurate description of businesses, marketing professionals, and entrepreneurs – through cases, exercises, and testimonials – that allows students to personalise marketing and identify possible career interests. Marketing Decision Making – The use of extended examples, cases, and videos involving people making marketing decisions. Integrated Technology - The use of powerful technical resources and learning solutions. Traditional and Contemporary Coverage - Comprehensive and integrated coverage of traditional and contemporary concepts. Rigorous Framework - A pedagogy based on the use of Learning Objectives, Learning Reviews, Learning Objectives Reviews, and supportive student supplements.

This best-selling book is dedicated to the development of decision-making skills in marketing. It introduces concepts and tools useful in structuring and solving marketing problems, while extensive case studies provide an opportunity for those concepts and tools to be employed in practice. Consisting of 10 chapters and 44 cases that feature contemporary marketing perspectives and practices, this book covers the topics of marketing management: its foundations; financial aspects; decision-making and case analysis; opportunity analysis, market segmentation, and market targeting; product and service strategy and brand management; integrated marketing communication strategy and management; pricing strategy and management; the control process; and comprehensive marketing programs. For marketing executives and professionals.

Strategic Market Management, helps managers identify, implement, prioritize, and adapt market-driven business strategies in dynamic markets. The text provides decision makers with concepts, methods, and procedures by which they can improve the quality of their strategic decision-making. The 11th Edition provides students in strategic marketing, policy, planning, and entrepreneurship courses with the critical knowledge and skills for successful market management, including strategic analysis, innovation, working across business units, and developing sustainable advantages.

Marketing Management, 11e, is a text and casebook written by Peter and Donnelly. It is praised in the market for its organization, format, clarity, brevity and flexibility. The goal of this text is to enhance students knowledge of marketing management and to advance their skills in developing successful marketing strategies. The six stage learning approach is the focus of the text. Each section has as its objective either knowledge enhancement or skill development, or both. The framework and structure of the book is integrated throughout the sections of the new edition. The basic structure of the text continues to evolve and expand with numerous updates and revisions throughout.

"A Systems Approach to Small Group Interaction" pioneered the systems approach and is the only book that integrates all important small group topics into a single comprehensive conceptual model. The text also features a unique systematic organization. Each chapter begins with a brief preview, followed by a glossary of terms, a real life case study, and then the chapter text material; next comes several experiential exercises for skill development, and finally the chapter concludes with two original readings.

Accounting: What the Numbers Mean, 6e, by Marshall/McManus/Viele is written to meet the needs of those students who will not be accountants but who do need to understand accounting, the language of business, in order to effectively participate in activities such as planning, control, and decision- making. Marshall takes readers through the basics: what accounting information is, what it means, and how it is used. In using this text, students examine financial statements and discover what they do and do not communicate. This enables them to gain the crucial decision-making and problem-solving skills they need in order to succeed in a professional environment.

Marketing Management: A Contemporary Perspective provides a fresh new perspective on marketing from some of the leading researchers in Europe. The book offers students and practitioners the comprehensive coverage they need to make the right decisions to create and implement highly successful marketing strategies. This exciting new edition includes updated cases and combines scholarly international research with relevant and contemporary examples from markets and brands across the world. The authors combine their experience as researchers and industry consultants to provide the conceptual and theoretical underpinning of marketing and empirical research, helping students to understand how marketing concepts can be applied and implemented. The book covers a full range of industries including business-to-customer, business-to-business, services marketing, retailing and international marketing from companies around the globe.
