devorat toate cele 3000 de carti din biblioteca satucului in care locuia. Osho a trait prima stare de "samadhi" - iluminare la varsta de 21 de ani (in 21 martie 1953).

cartile lui Osho - Carti recomandate - LibrariaOnline.ro

Titlul acestei carti i-ar putea induce în eroare pe cititori. Aceasta nu este doar o alta lucrare despre "cum sa". Dimpotriva, ea ne permite accesul la o dimensiune noua, în care toate întrebările de tip "cum sa" dispar în perceptia directa a propriei noastre realitati personale, care este de regula ascunsa.

File Type PDF Osho Carti In Romana

The revolutionary spiritual techniques of the late philosopher offer a whole person approach to spirituality that emphasizes the importance of embracing all aspects of oneself that embraces both the material and spiritual, the earthly and the transcendent, to create a harmonious, whole person. 30,000 first printing.

One of the twentieth century 's greatest spiritual teachers inspires us to experience and appreciate both the elation—and sadness—of Joy: The Happiness That Comes from Within. With an artful mix of compassion and humor, Osho shows

File Type PDF Osho Carti In Romana

us that joy is the essence of life, that even unhappiness has its root in joy. He encourages us to accept joy by being grateful to be alive and for the challenges and opportunities in life, and by finding the good in all that we have—rather than setting conditions or demands for happiness. By embracing joy, one comes closer to a true, peaceful, and balanced state. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “ 1000 Makers of the 20th Century ” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in

File Type PDF Osho Carti In Romana

1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

The book you hold in your hand or you are just ordering from an online store is a unique book. It is the first book by the contemporary mystic Osho. At the beginning of his public life, Osho who is at that time a professor of philosophy at Jabalpur University, introduces people to a new and unique understanding of meditation during experiential meditation camps. He speaks to the participants and responds to questions. This book is the first published records of Osho's first meditation camp in Rajasthan, India. In

File Type PDF Osho Carti In Romana

fifteen small chapters he gives a condensed presentation of his understanding of meditation which he then elaborates in many more talks and publications - but the essential message is already available in this book. Osho speaks to the individual, not to a collective, not the abstract collective of humanity, or a collective defined by religion or nationality or race but to individuals as the core element of existence. We used one of his opening comments as a longer quote on the front cover of the book as it seem so important "The individual is the unit of the whole and it is through him that both evolution and revolution can take place. You are that unit." Osho, mentions this book on several occasions in his later talks. When the second prime minister of India traveled to Russia, a

File Type PDF Osho Carti In Romana

copy of The Perfect Way was with him. And when someone in contact with Osho at the age of ninety stumbled upon The Perfect Way, he commented, “ All my learning of the scriptures was futile, only this small book is enough. ” In The Perfect Way the reader meets a human being who knows, but who also knows how to convey what he knows. His genius in full flight, he points us as far as one can with words toward the inner world of the self, toward the zone of silence. What starts on a hot summer day in the early 1960 ’ s will prove to be the first seed of a revolutionary experiment in the flowering of human consciousness – one which will eventually transform the lives of millions of people all over the world. “ To be without thoughts is meditation, ” Osho says. “ When

File Type PDF Osho Carti In Romana

there are no thoughts, it is then we come to know the one hidden by our thoughts. When there are no clouds, the blue sky is revealed. ” This book is page after page of blue sky.

Strong emotions that we don't know how to handle effectively lie at the core of so many difficulties in the life of the individual. They can affect our relationships with loved ones, and how we function in our work. They play a profound role in how we feel about ourselves, and can even affect our physical health. And we are too often trapped in the dilemma of "expression" versus "repression." Expressing our emotions can often hurt others, but by repressing them – even in the benevolent guise of

File Type PDF Osho Carti In Romana

"self-control" – we risk hurting ourselves. Osho offers a third alternative, which is to understand the roots of our emotions and to develop the knack of watching them and learning from them as they arise, rather than being "taken over" by them. Eventually we find that even the most challenging and difficult situations no longer have the power to provoke us and cause us pain. Osho's unique insight into the workings of the mind, the heart, and the essence or "being" of the individual goes far beyond the understandings of conventional psychology. Over more than three decades of work with people from all walks of life, he has developed simple techniques and insights to help modern-day men and women to rediscover their own inner silence and

File Type PDF Osho Carti In Romana

wisdom.

The Everyday Osho provides brief daily meditations to build a life-changing year of practice. Everyday Osho features 365 short meditations that offer insights into living fully in the here and now. Each brief text is thoughtful and inspiring and the perfect length for starting a daily meditation practice. With topics that range from gratitude to nature to philosophy to love, Everyday Osho contains a full year of meditation and inspiration. For decades, the insights of Osho have delighted and challenged spiritual seekers. Everyday Osho offers readers daily encouragement to live fully, integrating body, mind, and spirit.

So much of the experience of

File Type PDF Osho Carti In Romana

everyday life, says Osho in this insightful guide, is shaped by religious and social conditioning — and we are not even aware of the fact. We are constantly being pulled away from the unique nature that is our birthright. In place of that original and unique self, a false self called the “ ego ” is constructed that eventually gains control of our creativity, our ideas about what it means to be successful, our relationships, and our very experience of who we are. At the same time, he argues, the collection of egos known as “ society ” shapes our political, educational, and religious institutions, which in turn combine to force the same old patterns onto new generations. In this book, Osho shows how to discard these old patterns in favor of a new

File Type PDF Osho Carti In Romana

and nurturing trinity of watchfulness, awareness, and alertness. The bundled DVD lets readers directly experience the insights of this important modern mystic.

Osho's healing alternative is contained in these pages - not as a new belief system but as a method to gain a direct personal experience of our own mortality through meditation. Along the way he answers the questions facing everyone who wonders about death.
