An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.

For undergraduate principles of marketing courses. This ISBN is for the bound textbook, which students can rent through their bookstore. An introduction to marketing using a practical and engaging approach Marketing: An Introduction shows students how customer value -- creating it and capturing it -- drives effective marketing strategies. The 14th Edition reflects the major trends and shifting forces that impact marketing in this digital age of customer value, engagement, and relationships, leaving students with a richer understanding of basic marketing concepts, strategies, and practices. Through updated company cases, Marketing at Work highlights, and revised end-of-chapter exercises, students are able to apply marketing concepts to real-world company scenarios. This title is also available digitally as a standalone Pearson eText, or via Pearson MyLab Marketing which includes the Pearson eText. These options give students affordable access to learning materials, so they come to class ready to succeed. Contact your Pearson rep for more information.

This is the 14th edition of 'Marketing Management' which preserves the strengths of previous editions while introducing new material and structure to further enhance learning.

Revised edition of the authors' Principles of marketing.

BUSINESS MANAGEMENT 14E is designed for more advanced high school business courses. With the focus shifted to business management, this text approaches business operations from the entrepreneurial and management perspective. Finance, marketing, communications, and human resources are some of the topics explored. The introductory chapter provides an overview of management, discusses the history of management, and compares management approaches and philosophies. Another focuses on data analysis and decision-making, demonstrating the importance of math, statistics, and quantitative decision-making. BUSINESS MANAGEMENT 14E provides business management concepts and principles in a realistic, investigative, and enriching manner. All the functions of business management are covered extensively, including the use of technology and communication as tools of business. Enjoy exploring the global dimension of business and possible career opportunities as this text brings the world of business to your class. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

For over ten years, Weygandt, Kieso, Kimmel, Trenholm, Kinnear Accounting Principles has been praised by both students and instructors across the country for its outstanding visual design, its carefully integrated pedagogy, and its excellent writing style and clarity of presentation. Our main focus continues to be 'Student Success in Accounting!' and the new fifth edition package further enables both instructors and students to achieve successful learning outcomes. It introduces challenging accounting concepts with examples that are familiar to the student with a stepped-out pedagogy that breaks down complex topics making the material more manageable. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concepts. Weygandt Accounting Principles, Fifth Canadian Edition enables students to become independent and successful learners by including a variety of additional resources, more opportunities to use technology, and new features that empower students to apply what they have learned in the classroom to the world outside the classroom. The seamlessly integrated digital and print resources to accompany Accounting Principles, Fifth Canadian Edition offer additional tools for both instructors and students in order to help students experience success.
