QUOTES Quantum Forgiveness: Physics, Meet Jesus by David Hoffmeister. "This is not forgiveness the way the world teaches it, which is to believe that someone has done us wrong and we have to find a way to bless them. With True Forgiveness, we start to realize that we were mistaken about everything we have ever perceived.

clarity about the function of True Forgiveness in spiritual awakening, allow us to accept Rumi's invitation into a field of pure potential! "Out beyond ideas of wrongdoing and rightdoing there is a field. I'll meet you there." ~ The Essential Rumi "David Hoffmeister is a beautiful teacher of A Course in Miracles. In his new book, Quantum Forgiveness: Physics, Meet Jesus, he offers a unique and powerful pathway for transcending fear and strengthening your miracle mindset. I recommend this book to anyone on a committed spiritual path. I absolutely adore David and all of his work!" ~ Gabrielle Bernstein, New York Times best-selling author of Miracles Now

Accelerate your Awakening – with the movies! In a radical departure from traditional spiritual cinema David Hoffmeister embraces Hollywood movies as modern day parables for awakening, thus turning the universal pastime of movie watching into a portal for a whole new perspective on Life. Step back, relax and laugh as you learn to see the Big Picture. Allow David and this book to be your gentle guide to a present experience of Enlightenment. "The temptation of linear time is the belief that things would be better if they were different. The problem with attempting to redo the past is that such attempts obscure the realization that the past is over and gone. Healing is seeing that all the scripts of the world are the same and therefore cannot be changed; this awareness is the forgiven world." Excerpt from The Butterfly Effect review, pg. 28 "Since the dawn of time, myths, stories and parables have been used by spiritual teachers to reveal spiritual truths. Many popular movies speak not only to our desire for entertainment, but are also great tools to flush up and look at human emotions for healing. In The Movie Watcher's Guide to Enlightenment, David Hoffmeister uses movies as contemporary parables, making modern spirituality personal and relevant." -Darren Main - Yoga and the Path of the Urban Mystic

David Hoffmeister is a modern-day mystic who has been invited to over 30 countries and 49 states to shine and share his consistently peaceful state of mind, radiant joy and dedication to Truth. This book is a compilation of his teachings, collected from email messages, website postings, and interviews. It also includes transcripts of in-depth dialogues from the earliest days of his work with those who came from around the world to join with him. The book consists of three volumes: Book One—Laying the Foundation, Book Two—Unlearning the World, and Book Three—Transfer of Training. David's journey involved the study of many pathways culminating in a deeply committed practical application of A Course in Miracles. His astonishing gift for applying the metaphysics of the Course to everyday issues and concerns brings the deep ideas of the Course to life. The essays and conversations in this book work like an elixir that has the power to literally unwind the willing mind back home to God. Get ready to have your world rocked and turned upside down! David Hoffmeister's life is a living demonstration of the mind awakened. Your life will never be the same after joining David and his students in going deep into the unwinding of everything you think you think and everything you think you know—opening the way to the experience of who and what you truly are. The mind may be boggled by this book's uncompromising approach, but the Heart will soar in recognition

The Mystical Teachings of Jesus will illuminate the mind with a deeper understanding of the teachings

of the Bible and A Course in Miracles (ACIM). The chapters in this book contain Bible verses, side-by-side with ACIM quotes, providing a dialogue of clarity, and directly answering questions from the heart, such as: “Jesus, what is my relationship to you? What is a miracle?” and, “How will the world end?”

Written by a world-renowned teacher of A Course in Miracles, this book reveals the profound power of the present moment and shows how tapping into it using practical insights and simple exercises can fortify your spirit against fear, break down perceived limitations and your sense of separation, and help you manifest a life of joy, oneness, and serenity. We all feel isolated and afraid sometimes, but the truth is, we’re never really alone. Indeed, as author and spiritual teacher David Hoffmeister points out, it is the deeply ingrained belief that you are separate from everything—that you’re on your own, there is reason to be afraid, and you might not be worthy—that prevents you from living the joyful life you long for. So, how can you begin to untangle the thoughts and feelings that keep you trapped in your own egoic fears? *This Moment Is Your Miracle* addresses this painful yet widespread belief in separation, peeling back the layers of misperception to uncover the divine oneness at the heart of reality, through which we are all connected. You’ll find spiritual practices and tools to help you awaken from the nightmare of fear and isolation, and practical ways to cultivate acceptance, forgiveness, healing, and trust—for healing yourself, your relationships, and the world. With this book as your guide, you’ll learn how to trust your inner guidance and accept life’s miracles, and find true freedom and peace of mind. There has never been a better time than now.

universe actually are? Can it give us a new understanding of our purpose in life? Quantum Prodigal Son revisits Jesus' beloved 'Parable of the Prodigal Son' from the perspective of quantum physics, Gnostic gospels and the Bible. Written in a straightforward manner that requires no previous scientific or religious knowledge, Quantum Prodigal Son invites you to meet the Jesus you may have never known existed, a Jesus who understood, and applied, the principles of quantum mechanics in his life and teachings and demonstrates how you can do the same.

This book presents winning and shortlisted stories from past editions of the international Quantum Shorts competition. Inspired by the weird and wonderful world of quantum physics, the shorts range from bold imaginings of a quantum future to contemplations rooted in the everyday. They feature characters of all sorts: lovers beginning their lives together, an atom having an existential crisis, and, of course, cats. These Quantum Shorts will unleash in your mind a multiverse of ideas.

Richard Swinburne presents a powerful case for substance dualism and libertarian free will. He argues that pure mental and physical events are distinct, and defends an account of agent causation in which the soul can act independently of bodily causes. We are responsible for our actions, and the findings of neuroscience cannot prove otherwise.
