Kenmore Corporation and sold in Sears department stores, the Kenmore Ultra Wash is an energy-efficient, large capacity dishwasher with six cycle options. Ultra Wash dishwashers use Kenmore's Quiet Guard 2 technology to minimize noise, making the operation of your appliance as quiet as possible. Continually flashing lights on your dishwasher indicate that the control panel needs to be reset, and may signal a problem with the control panel circuit board.

The heated dry reset works for most Kenmore models that have a heated dry button and a normal wash button. Press the heated dry button, and then the normal wash button. Repeat this step: press heated dry and normal wash again. After this four-push sequence, with no more than a second between each push, close and latch the dishwasher.
