BOOK LAUNCH, Taken for a Ride: Grounding Neoliberalism ...

Taken for a ride argues that understanding the outcomes of the reform of public transport in Dar es Salaam requires putting its informal and precarious workers at the centre of the analysis. The political attitude of these workers changed from political quiescence and the lack of an organisation representing their interests up until the mid 1990s, to their political organisation, in the late 1990s.

political economy of public transport, exposing the limitations of market fundamentalist and postcolonial approaches to the study of economic informality, the urban experience in developing countries, and their failure to locate the agency of the urban poor within their economic and political structures.

African Studies Seminar: Taken for a Ride - Grounding ...

The chapter starts by describing public transport in Dar es Salaam as ' functional chaos ' . It then critically reviews two thematic literatures, on African cities and on their informal economies, to reveal that references to chaos, dystopia, and their opposites, order and functionalism, are common. The key argument is that a highly contextual understanding of urban informality and of how ...
