between duty and devotion. With poisoners and spies circling ominously, and war looming on the horizon, Owen must make painful sacrifices to beat back the advancing shadows of death and disaster. Will Owen's conflicted heart follow the king's path or will he risk everything for love?

King Severn Argentine's fearsome reputation precedes him: usurper of the throne, killer of rightful heirs, ruthless punisher of traitors. Attempting to depose him, the Duke of Kiskaddon gambles...and loses. Now the duke must atone by handing over his young son, Owen, as the king's hostage. And should his loyalty falter again, the boy will pay with his life. Seeking allies and eluding Severn's spies, Owen learns to survive in the court of Kingfountain. But when new evidence of his father's betrayal threatens to seal his fate, Owen must win the vengeful king's favor by proving his worth--through extraordinary means. And only one person can aid his desperate cause: a mysterious woman, dwelling in secrecy, who truly wields power over life, death, and destiny.

Before she befriended a frightened young boy in the palace of Kingfountain, Ankarette Tryneowy grew up during the shattering civil war that raged between members of the Argentine family. This is the story of how the only daughter of a lawyer and a midwife became the famed Queen's Poisoner. Recruited by King Eredur's ambitious uncle, Ankarette is thrown into a world of double dealing, deception, and tangled loyalties. With the help of her mentor and friend, Sir Thomas, she must learn to trust her instincts and remember that others will not always be loyal, even when they are of the same blood. But involving herself in the machinations of the realm draws the eye of an enemy more dangerous than kings or dukes. How will she navigate the politics of the realm and the desires of her heart to become the woman she needs to become?

"Uneasy lies the head that wears a crown. A brutal war of succession has plunged the court of Kingfountain into a power struggle between a charitable king who took the crown unlawfully and his ambitious rival, Devon Argentine. The balance of power between the two men hinges on the fate of a young boy ensnared in this courtly intrigue. A boy befittingly nicknamed Ransom. When the Argentine family finally rules, Ransom must make his own way in the world. Opportunities open and shut before him as he journeys along the path to knighthood, blind to a shadowy conspiracy of jealousy and revenge. Ransom interrupts an abduction plot targeting the Queen of Ceredigion and earns a position in service to her son, the firstborn of the new Argentine dynasty. But conflict and treachery threaten the family, and Ransom must also come to understand and hone his burgeoning powers."--Publisher.
