 5.0 out of 5 stars It's never too late to begin thinking about thinking better. Reviewed in the United States on July 26, 2014. Verified Purchase. Edward de Bono uses this book to recycle some of his earlier ideas on thinking, but he also adds emphasis in new areas like education at all levels. He is particularly critical of how "thinking" is handled at the university level -- emphasis on creative thinking -- but his words strike home for other levels of education as well.
