I have the viper 5901 alarm installed in my 07 mustang gt Manual trans. At best buy and a few other alarm shops they refused to install the remote start due to liability with leaving car in gear. My problem is the viper 5901 states it can be used on a manual trans car as long as you follow the procedure.

The viper 5901 is the best security system out there. There are so many different features you can have. I love the remote start because lying in bed on a cold morning and I can reach over and hit the remote start button knowing that my truck will be nice and warm and defrosted. This is an outstanding feeling and an outstanding alarm.
