While the fifth edition of the Jetta, which was released in 2005, looked a while lot like the former model this Volkswagen model offered a new direction for the Volkswagen brand thanks to a longer wheelbase than the previous models as well as a new chrome front grille. This Jetta model was also the first of its kind to receive a new smaller, more powerful, and more fuel

popular and enduring cars. Well-known for their robustness and need for minimum maintenance, these vehicles often suffer from neglect by their owners. Restoration expert Lindsay Porter fills you in on VW history and development, tells you what to look for and what to avoid when buying an older model, and how to bring it back to first-class condition. Fully illustrated sequences guide you step-by-step through a mechanical overhaul and show you how to restore bodywork, interior and electrics. Includes soft-top mechanism replacement.
